

Make the World Your Campus

What is Unbound?

Conventional education keeps students at their desks, actively undermines their faith in Christ, and forces most to start their life in debt. A real alternative is desperately needed.

At Unbound, we provide you with the tools, community, and experiences that enable you to live an extraordinary life for Christ—and you can earn an accredited bachelor's degree at the same time.

Prepare for life, not for the classroom

The core of what we do, **Ascend** is an intense experience designed to catalyze, enable, and energize young homeschoolers. Ascend students don't just get a custom-made degree plan and graduate with transferable college credits, they graduate as leaders and innovators with a world-class community that has their back.
